THE GROUP CONSOLIDATES IN US AIRPORTS

HMSHost extends its contract at Savannah/Hilton Head International Airport (Georgia, USA) to 2032

- Estimated revenue for the 10-year period is around 85 million dollars.

Milan, 20 July 2016 - Through its subsidiary HMSHost, Autogrill Group (Milan: AGL IM) has won a tender for the 10-year extension (to 2032) of the contract at Savannah/Hilton Head International Airport, in Georgia (USA). Estimated revenue for the period is around 85 million dollars. HMSHost will widen its current offering in the airport by opening the PGA TOUR Grill, a golf-themed restaurant. The f&b offering will also be enriched by Service Brewing Taphouse, a craft brewery, alongside the Auntie Anne's concept and The Great American Bagel. These four new points of sale will be added to those already being operated by the Group – under the Burger King and Starbucks's brands – between the end of this year and the beginning of 2017.

Savannah/Hilton Head International Airport served over two million passengers and more than 88,000 flights last year.

Autogrill Group

Autogrill is the world's leading provider of f&b services for travellers. Active in 31 countries with over 57,000 employees, it has around 4,200 points of sale in around 1,000 locations and operates prevalently under concession agreements in the main travel channels, as well as in select shopping centres, trade fairs and cultural facilities. The Company has a portfolio of over 250 international and local brands, managed directly or under license. It has been listed on the Milan stock exchange since 1997.
